1. Application Start

To use this application, is required to:

- Be already an RFID holder.
- If you manage more than one vehicle, issue an invoice

1.1. Terms and Conditions

Upon the first launch of the application, the user must accept the terms and conditions

1.2. Home Page - Login

On every portable device, in the main applications menu, you can find the “KATH” application. Tapp this icon and the application starts.

The following home page window appears, where the login/registration form opens, as well as a list of posted info articles of the company.

2. Registration / Login

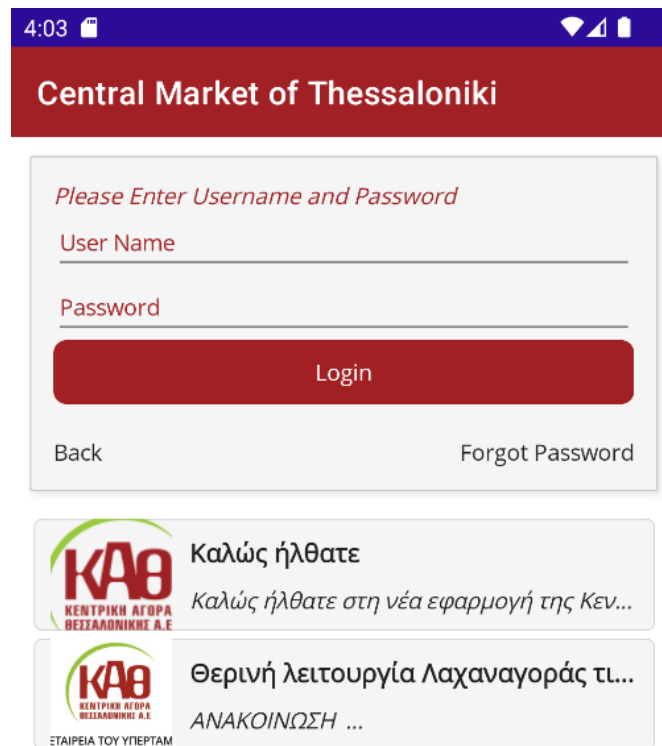

2.1. Registration

To use the application, a user must first register. By selecting "Register," the register form appears, where the necessary fields must be filled in. The "username" is the license plate of the vehicle (uppercase Latin e.g. NNK9999) unless the user manages multiple vehicles, in which case he should contact the company via email at grammateia@kath.gr to receive the code.

Click "Continue" and a confirmation email will be sent to your email address to verify.

2.2. Login

After successfully completing the registration process, select "Login" and enter their username and password (after successfully completing the registration process).

The screenshot shows the mobile application interface for the Central Market of Thessaloniki. At the top, there is a status bar with the time 4:03 and icons for signal, Wi-Fi, and battery. Below this is a dark red header with the text "Central Market of Thessaloniki". The main content area is a light gray box containing a login form. The form has a title "Please Enter Username and Password" in red. It includes two input fields: "User Name" and "Password". Below the fields is a prominent red "Login" button. At the bottom of the form are two links: "Back" on the left and "Forgot Password" on the right. Below the login form are two news items, each with the KAΘ logo (ΚΕΝΤΡΙΚΗ ΑΓΟΡΑ ΘΕΣΣΑΛΟΝΙΚΗΣ Α.Ε.) and a title in Greek. The first news item is titled "Καλώς ήλθατε" and the second is titled "Θερινή λειτουργία Λαχαναγοράς τι...".

v1.19

Home Vehicles History

4. Vehicles

4.1. Vehicle List

On this screen, all the vehicles managed by the user are displayed, along with their license plate information and the remaining credits. Additionally, new credits can be purchased.

4.2. New Purchase

By selecting "New Purchase," you are directed to the purchase screen where the vehicle details (license plate, address, city, postal code), the current credit balance, the quantity of credits to be purchased, the purchase price per credit, the number of free credits as a gift, and the final payable amount are displayed.

4.3. Payment

After entering the desired number of credits and selecting "Payment," you are directed to the bank's registration page to complete your purchase.

5. History

5.1. Purchase History

You can view all the purchases of your vehicle(s), with the date and time of payment, the number of credits purchased, the number of gifts, and the final payment amount.
